REALISE

Lamia

The ninth Gourmet, Lamia

She is depicted in mythology as an evil woman who is fond of children and their blood. Using her ability of transformation, children are lured in, lost, and never again to feel the warmth of their parents' embrace.

It will be difficult for you to find even a speck of me with such hasty tactics.
We'll show her!

I WILL NEVER ALLOW REVERSE!!!
*Reverse: Reversing the roles

Well well··· So that's where you are···?
GRR
Calm down!!
I think it'd be better if we don't get involved from here on.
Let's leave it to those two.
Good work today..
I think I've got it.
Your weakness that is.

The reason why you went as far as to disguise yourself and go to an empty library in a different neighbourhood.
The reason why you couldn't give up on the book
even though you hate men.
The reason why this book you managed to borrow through all those hardships is here.
You
are a closet fujoshi, aren't you?
The rest is obvious.
fufu

DON
...How can this be.
FLUMP
Was my cit cosplay not good enough?
*cit cosplay: citizen cosplay
I've been in charge of the BL section for a week, so don't you underestimate me.
You fujoshi.
DREARY
*Fujoshi: Women who enjoy novels or comics depicting gay relationships.
Closet fujoshi?
Cit cosplay??
fujoshi???

That's just a personal preference, isn't it? What's wrong with that?
No Shame
We'll just remain here in silence.
Well that's true, but...
There are people trying desperately to hide them...
Not everyone is open like you.
I was the third child of a noble family. A princess who enjoyed reciting poems in peace.

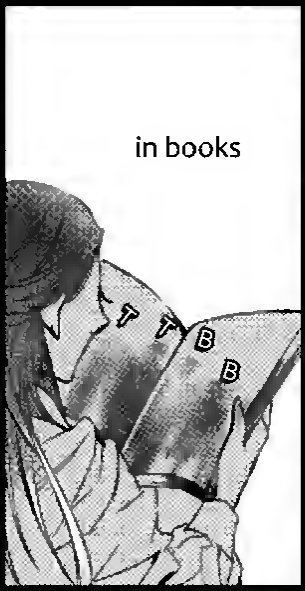
However, all my hopes were crushed on that day.

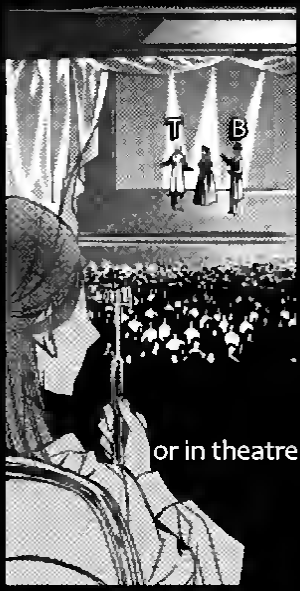
Forgive me!!
This man is my true love!!
My fiancé's affair, a broken engagement, and the coming out of his sexuality...
After living like a dead person for a month,
I once again
lifted my pen.

I will shame you with my talent!!
And that is how I entered this world.
I feel sorry for him even though he's the one at fault...
But,
ONCE YOU ENTER, YOU CAN NEVER LEAVE.
It was impossible for me to step away from it.
After I became a gourmet,
I could see it.

T
B
T

I found myself instinctively pairing up all the men I see!!!





Perhaps if I kept my eyes shut...
But that was also impossible.
SLAM!
At that moment
ugh
An angel
appeared before my eyes.
Are you alright?
Madam.
FWAA..
I was saved by a purifying ray of light.

Blood of innocent boys...
will purify me who has been corrupted with desires.
The finest delicacy!!
Oh~ She's talking about BL, isn't she?
May you remain pure
the way you are forever...

...Hey, brat. Why do you know about that...
good children should only start learning when they grow old
Well... My mum loves them.
She tried to hide them but that makes them even more obvious...
DON...
I quite like handsome tops~
HEHE
I think Mum like regretful tops.
sudden BL discussion
Oh, she has an unexpectedly normal taste.
I like buff bottoms, also resisting bottoms, and psycho tops, oh, and XX, XXX, just about anything really
DUDUN

My only ray of light...
is disappearing!!!
confronted by reality
SHATTER..
My light...
my only haven...
now that I've lost it,
I can no longer purify
my corrupted self...
I can't continue
to live like this!!
...Olivia?
TAP
TAP

Are you kidding me?
You wanted to stay in this world with such a fragile mentality?
Fwooo
Don't you dare take it lightly!
If your path is blocked,
you just need to find a new one.
How about me?
My new... world?

NEW.
WORLD.
You are cordially invited to my prison.
MI-MISTRESS!!
...Okay.

Guinea pig No.1 for my new prison, gotcha ♥!!
HeHeHe
Mr Carvel~♥ Time for the finale.
Mentally exhausted
...Are you done now?
Arrest.
Despite their powerful ability,
they still break down from a single weakness.
Somehow, they seem weaker than humans.

I've erased his memory, he will think it's merely a dream once he wakes up...
Mn..
His address should be in the library members' registration file,
so we'll take him home.
See you tomorrow~
Just one thing left...
Hey, where do you live?

It's not 'Hey'. I shall be addressed with 'Sir',
Grey-headed.
... H-huh?
His persona seems different from before...?
I've got someone coming to pick me up
Hmph
So mind your own business
Rather
you played your part quite well, despite being a mere human... And there I thought you were just a waste of my money...
OUCHIEE!!
SQUEEZE
What's with this runt ...?!

...Wait, something's not right.
This kid just called me a 'human',
and Carvel's been quiet for a while.
I've got a bad feeling about this...
KLI
CK
Hands off or your life ends.
...A-a-a-a a gun?!!
FWISH!
Eek
Ouch
You only arrive now? Why are you so late?
My apologies ...
Have you been injured anywhere at all?

Mr. Chairman.
What?
Whaat?

WHAAAAT

Aah~
My chair really is the most comfortable!
... No way.
No matter how you look at it,
Sickly Chairman
Inconsiderate grandson who will inherit Chairman's riches
Their butler who is often bullied by the grandson
doesn't this make more sense?!!

...Hm? You're still here? You may leave now.
Bow
Yes Mr Chairman
You impertinent prick!!!
Eek...!!
KLACK
Allow me to properly introduce myself I am the representative of Conrad
Also sponsoring the library.
This is my butler.
My name is Hoon.

He merely has the appearance of a child,
in truth he is an old pervert who has lived for much longer than me.
...Which means...
To think the brat is the top brass and the source of my income...
he's a vampire!!
However, I am of the ordinary kind that are weak to sunlight, and dislike silver crosses and garlics.
Just what on earth were you thinking, when you decided to become the bait?
Well... I was just wondering how the library was doing...
And...
SWHIP

You're even stalking him?!!
SHIVER
I also wanted to show off my collection...!!!
HEHEHEHE~♪
SWISH

On that note, the costumes that I'd like to add into the collection have arrived.
You'll wear them for me in return for that time, right?

...Damn it, I came at a bad time!!
Please come out when you're ready

Ooh~ Bravo!!

Of course, I will join in as well.
Ufu
CLAP CLAP
What do you think? Won't they make wonderful uniforms?
Over my dead body!!
Certainly not.
Well I'm going to borrow Carvel for a bit, as we've got some matters to discuss, if you'd excuse us.
Hoon, escort our guests to the parlour and see that they are well taken care of.
Don't forget to take some photos..
Of course, Sir
KLICK—

Just what are you schemi…
FLASH

Ooh— Rare shot.♡
FLASH

Enough, you damned, old geezer!!
Hohoho! Fine, fine!!

GRR...
Choking me with all your strength? I'm a bit hurt.
COUGH COUGH
Very well then.
I will get straight to the point.

The 'hunters' are acting suspicious.
Hunters and vampires have been natural enemies since the old days. However, as you are aware, we have been in an unsteady truce focusing our force on mutual enemies, the Gourmets.
Hunter
Gourmet
Vampire
But recently, that truce was broken.
The hunters have gained interest in mutants, and have been carrying out investigations behind our backs.
Investigations ...?

In short, a 'spy'.
It might be possible
for a human residing in the library.
